## SAN-DASHBOARD-01

1

The screenshot shows the 'New Dashboard' interface. On the left is a dark sidebar with navigation links: Explore, Widget, Advanced Analytics, Dashboard (which is selected), Report, Help, and Administration. A 'Collapse' button is at the bottom of the sidebar. The main area has a header 'Time Range' with three tabs: Quick, Relative (selected), and Absolute. Under 'Relative', there are fields for 'From: 15-Oct-2009' (set to '15 Years ago'), 'To: Now', and a checked checkbox 'round to the year'. Below the time range is a note: 'Click the Add button in the menu bar above to add a widget to the dashboard. If you haven't setup a widget yet visit the "Widget" tab to create your first widget.' On the right side, there are 'Filters' and 'Logic Builder' buttons.

2

The screenshot shows the 'New Dashboard' interface after adding two visualizations. The sidebar and top navigation are identical to the previous screen. The main area now contains two charts: 'Mcube\_Area\_Chart11557' and 'Mcube\_Combo\_Chart81276'. The first chart is an area chart with a message: 'This container is too small to render the visualization'. The second chart is a stacked bar chart titled 'Mcube\_Combo\_Chart81276' with a legend: 'Count' (green) and 'Sum of Customer ID' (blue). The bars represent data for cities: New York, Los Angeles, Chicago, and Boston. The 'Filters' and 'Logic Builder' buttons are visible on the right.

3

The screenshot shows the 'New Dashboard' interface after saving the dashboard. The title bar now says 'Dashboard: Saved Dashboard as "Mcube\_Dashboard11247"' with an 'OK' button and a notification badge '7s'. The main area shows the same two charts as in step 2. The 'Filters' and 'Logic Builder' buttons are visible on the right.

The screenshot shows the Workbench interface with a sidebar on the left containing navigation links for Development, Management (with Roles selected), Supervision, and a Download User Manual link. The main area is titled "Workbench" and displays a "Role List" for "Power User". A modal window titled "Mcube\_Role15102024163408" is open, showing a grid of modules and their permissions. The grid has columns for "Modules" (Explore, Widget, Dashboard, Advanced Analytics, Administration, Report, EzeXtend) and rows for "View" and "Interact" permissions. Most permissions are marked with green checkmarks, except for some red X's in the "Administration" row.
