The screenshot shows the tcg mcube platform's user interface. On the left is a dark sidebar with a blue header containing the tcg mcube logo. The sidebar includes links for Explore, Widget, Advanced Analytics, Dashboard, Report, Help, and Administration. The Help link is currently selected, indicated by a blue background. Below the sidebar, there is a "Collapse" button. The main content area has a white background. At the top, it says "About Us". Below that is a section titled "tcg mcube" in red. A detailed description follows: "tcg mcube is an end-to-end analytics platform with the objective to perform 360-degree analytics. It covers the entire analytics spectrum, starting from data ingestion and integration from multiple data-sources, to storing them in a searchable big data repository, to building widgets and reports for descriptive analytics and to running statistical/mathematical models for predictive/prescriptive analytics and machine learning." Another paragraph states: "Our platform integrates the entire organization to attain management excellence by helping Business Owners, Managers, Data Scientists, and IT leaders with Prescriptive Analytics based on business events and real-time data for predicting the future, going beyond historical data analysis and current trends. tcg mcube (moniker from Monitoring, Measuring, and Managing) is our proprietary three-layered analytics platform that corresponds to:" followed by a numbered list: 1. Data integration from disparate sources, 2. Information delivery, and 3. Algorithm-based analytics. At the bottom, it says: "The core data model of tcg mcube leverages semantic data-modeling techniques to support different database objects and attributes that allows extensive customization." The footer of the main content area displays the text "Version: 4.5.3.0".
